WINE ESTATE

## Description

Our private tours include a two-hour guided tour and tasting. We begin with a brief history of the estate and make our way in to the vineyard to discuss the annual vine cycle and the steps we take to ensure we produce the highest quality grapes. The tour then moves to the winery, followed by the wine store, where the wine production process is explained and visitors are able to see how we go about producing world-class sparkling wines. The tour concludes in the tasting room with a tutored tasting of a selection of our wines.

Kindly note that the total walking distance covered will not exceed 1km, though there will be a fair amount of standing and we will cover some rough and uneven ground as we are a working farm.

We recommend you wear practical shoes (no stilettos!) and a warm jacket for the winery in the Autumn and Winter periods.

## Cost

£25.00 per person

For groups of 20+, a 20% discount to the ticket price is applied (equivalent to £20 per person).

Please note that a deposit of 50% is required at least a month prior to the tour date in order to secure your booking.

Payments accepted include cash and credit card. We do not accept American Express.

## Terms and Conditions

Although we will make every possible effort to accommodate your party on a particular date, sometimes it may not be possible due to other events and staff availability. If at all possible, please provide a variety of dates and times.

The minimum group size is 10 people. If fewer people arrive on the day, the balance for 10 people will still need to be paid in full.

We require 7 days' notice of cancellation in order to provide a full refund.

## Food

Our Vineyard Café is perfectly situated to provide a delicious light lunch, or afternoon tea from beautiful, locally sourced, seasonal produce!

Please contact Mel at the Vineyard Café on [cafe@langhamwine.co.uk](mailto:cafe@langhamwine.co.uk) or (0)1258 446472 for further information regarding offerings & costing.
